

Do you need a TV Licence?

You need to be covered by a TV Licence to:

- a) watch or record live TV programmes on any channel, and
- b) download or watch BBC programmes on iPlayer.

This could be on any device, including a TV, desktop computer, laptop, mobile phone, tablet, games console, digital box or DVD/VHS recorder.

If you do any of the above without a valid licence, you risk prosecution and a maximum penalty of up to £1,000, plus any legal costs and/or compensation you may be ordered to pay. You will also still have to buy a TV Licence if you need one.
